

**2018 District III-5A
Varsity Tennis Tournament
Monday - Friday, May 7-11th**

HOST/Coordinator - Centennial High School

Contact: Kerri Porritt 208-830-7102, I will respond to text and answer any phone calls coming from coaches. Do not give my information to parents. If parents have concerns they should go to their respective coaches first, if the coach cannot address it or further discussion needs to take place, then Kristi and I should be contacted.

Pre-District Seeding meeting will be Friday, May 4th at 5:30pm at Centennial. All basic information for the district tournament is attached and labeled. All suggestions, questions, or concerns, can be discussed at the Seeding Meeting. Each site director/manager is responsible for reporting scores to: Kristi Stevenson at this email address kkcb_stevenson@yahoo.com or taking a photo of your bracket when your site has finished for the day. Photos need to be sent to 208-409-7963.

All schools not hosting a site will need to bring their case of balls to the meeting on Friday the 4th. This is a full case of 24 cans. If you purchase a case at Costco, you will need to bring an additional 4 cans. Those cans will then be redistributed to the host sites before the meeting is over.
